Dear Brothers and Sisters in Christ,

MISSIONARIES OF MERCY

Paul’s back! After last week’s “violent abuse,” opponents organized a lynch mob that beat Paul nearly to death. But call Paul the “energizing evangelist,” transforming deadly cruelty into life-giving zeal. Paul’s past courage should inspire our commitment; Revelation’s future “new heaven, new earth” should inspire our optimism. But Revelation’s present assurance, “Behold, God’s dwelling is with the human race,” should challenge us to become “missionaries of mercy.” Because Pope Francis declared that the Church’s credibility is completely dependent on our showing unconditional mercy. Mercy, said Francis, makes the Church, the world, and everyone young again, reawakened to life’s noblest virtues. Fittingly, in today’s Gospel Jesus reinforces that theme: “This is how all will know you are my disciples, if you have love for one another.”

United in Prayer Always,

/s/ Fr. Mark Reburiano

You will take simple actions like trimming energy, reducing waste, conserving water, and choosing smarter transportation options that save money, too. You’ll see positive results from your efforts and help build a stronger & safer community. Over 1,200 Marin residents have already reduced more than 6 million pounds of CO2 pollution through Resilient Neighborhoods.

This program is ideal for St. Isabella parishioners who are concerned about climate change, seek community, and would like to answer Pope Francis’ call to Catholics to protect the environment. All you need to participate is access to a computer and your utility bills.

We will plan the St. Isabella’s group at a time that is convenient for you at our church. www.resilientneighborhoods.org
