Catechesis

Church teaching on stem cells. It does not forbid all stem cell research. i.e. stems cells from placenta or umbilical cords. But obtaining stem cells from embryos means they been aborted therefore a human being's life has been killed, therefore this 100% immoral. Life is sacred and we are not allowed to manipulate it.

Pope Francis

Our nuclear armaments. Man's destructive creation to self-annihilation. The main thing is to abolish them entirely since nuclear war can never be morally justified.

Vatican Trivia

What is Saint Peter's original name? Simon Bar-Jona.

Top Six Worst Parishioners (cont.)

4. *Not that I am not a positive person. But when it comes to parish it usually complaints. But I am being honest and isn't that a virtue? For instance, why don't we have guitar Masses, or why don't we have Latin Masses. Why not better sermons. The sound system sucks. Why do the homily doctrines. Too many second collections, and not enough service...*

The Four Last Mysteries Christians Encounter: Death, Hell, Heaven, Judgement

Judgement (Part 4 of 4): Each immortal soul is judged at the moment of death, either entrance into Heaven, Purgatory, or eternal damnation. Only God knows the full circumstances of a person's life. God knows the full truth and will judge accordingly. Purgatory is a soul will be with God in Heaven at the proper time.

Marin Deanery Meeting, March 25th, Chris Major will talk about his chess program for elementary schools as a way of opening minds to broadening intellectual abilities.

"If you open the door to free speech, you cannot shut it down to others."
