## Thirteenth Sunday in Ordinary Time

Mark 5 : 21 - 43

Miracles shake us to the core, the healing hand of God as the last hope left. So it is no wonder witnesses to this miracle were left astounded, not confused they utterly understood what has happened. A twelve year old girl on her death bed returned to full health. Miracles are another sign of Jesus power over life and death.

*"It is easier to forgive an enemy than a friend."*

### Pope Francis

*"Love comes from a willingness to sacrifice. Unfortunately many people are not living selflessly, they are living with hatred and disregard for neighbors. Hate destroys, Love unites.*

### Catholic Trivia

How many rooms in the Papal Residence? 1,400 rooms and 20 court yards.

### The 500th Anniversary of St. Ignatius of Loyola, 1521-2121 (Part 2 of 2)

Without faith, the world seems too evil for a good God to exist. Faith recognizes that God is acting in the world through the Holy Spirit and Love. Ignatius had a great desire to do great things for God and his Church. To do this he surrendered himself to God. He could look to the world with hope. With God there is no tragedy, failure or loss that we cannot overcome in union with God.

### Did you know?

The total number of priests in the U.S.:

1970	2020
59,192	35,513

### National News

American Bishops are thinking of making a statement on Catholic politicians who receive Communion while supporting abortion, euthanasia. Each diocesan bishop can make their decision what to do here. This is a divided issue amongst the laity. Standing up for Eucharist theology is not politicized. The real concern is will this divide the Church more, or declare more reverence for the Blessed Sacrament.

### Parish News

Looking for help with more ushers and especially Eucharistic ministers. We have 19 convalescent homes to cover and Kaiser Hospital. Eucharistic ministry is the most important organization in the parish giving those who no longer able to come to church are able to receive Holy Communion through the generosity of parishioners meeting their spiritual needs. (Give it a prayerful thought.)

### Church reopening

It is a balancing act how to work with parishioners

1. Should vaccinated people be separated from non-vaccinated people
2. How are masks to be regulated. Everyone wear masks or not
3. Should we keep having outdoor Masses. The U.S. has not reached herd immunity, it may never happen
4. Should ZOOM Masses end so people return to Church
5. Will parishioners lie about being vaccinated

The parish will do the best it can and leave decisions to the good will of us all—to do what is right.

Yours in Fraternity,  
Fr. Cyril O'Sullivan
