Sixteenth Sunday in Ordinary Time

Mark 6 : 30 - 34

Jesus believed in rest and self reflection or self analysis. This is considered healthy and essential to well being. As Pope Francis said, “ *We are not machines but human beings with human needs.*” Third century Saint Pambo the Hermit said, “*Silence is the first step towards deepening our spirituality.*”

Spirituality & Health

Pope Francis Reflections on Prayer (Part 2 of 3)

5. Be not afraid to ask. The Apostles asked Jesus how to pray. Jesus gave the Our Father for their needs.
Give us our Daily Bread ... (spiritual & physical)
Forgive us our Trespasses ... (our sins)
Lead us Not into Temptation ... (into evil)
Deliver us From Evil ... (from hell)
We should never be so proud to walk this life without God at our side
6. Pope Francis is a strong believer that praying alone is not sufficient. We cannot lose communal praying. It is vital to our faith life. All sacraments are called to pray together, to pray with others.

Catechesis

Before the priest takes communion, he puts a bit of the host into the wine. Why?

1. Both are equal in substance, Body and Blood. There was a heresy wine always remained wine.
2. Represents the unity of the Church (from the one cup). My flesh and my blood you receive eternal life. Jn 6:54

Vatican Trivia

Which pope is buried in Germany? Pope Clement II. The only pope buried in Germany. He died in 1047 AD.

Sport

Why Wimbledon tennis all players have to wear white, but umpires do not. (I wouldn't pay 1 cent for this information, but I would still like to know.)

Did you know?

17 veterans die everyday.

The latest term for refugees is now climate refugees, whose lands are parched, crops destroyed, families uprooted moving to any country for survival, legal or illegal. People always migrate, when the land produces no fruits. Old Testaments, the story of Jacob's sons moving to Egypt because of years of famine in Palestine. Experts predict climate change will displace 4.0 million across Mexico and Central America by 2050. What is happening now is nothing to the wave that is about to happen.

A Thought to Ponder

We try to suppress the thought of death or run away from it thinking we will find happiness. But it is actually in facing the darkest realities in life that we find light and peace.

*"Liberate the Spirit of Men
and ultimately you will
liberate the minds of men."*

Yours in Fraternity,
Fr. Cyril O'Sullivan
