Thirty-third Sunday in Ordinary Time

Mark 13 : 24 - 32

This will certainly be the end of the world for those who see it. The sun has no more light, the universe is collapsing onto itself. And what looks like an eternal planet 2 billions year old is shaken to its core. I just hope it isn't mankind, out of its own madness, isn't the causation for all the things that pass away. That would be the greatest evil in the history of mankind.

Pope Francis

The poor are always with us, so too are the sick. Everyday we should pray for them as it is our Faith, "We believe in miracles." The sick love to know we have them in our prayers.

(Part 1 of 3)

Jesuit superior, Adolfo Nicolás Pachón, S.J. died May 2020. He was known as a man of the Gospel. He has left us with radical concerns for depth. It is he who coined the phrase, "We live in a world, the "Globalization of Superficiality." Today so much information, so quickly, so unthinkingly from blogs shaping our feelings, perceptions that in the end are we being brain washed, or do we anymore come to our own careful conclusions.

Sport

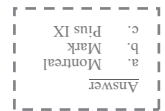

Which sport where the loser has to attend the winner's ceremony and accolades. (I wouldn't pay 1 cent for this information, but I would still like to know.)

Did you know?

Jasper O'Farrell, a native of Ireland 1850s, was the man who engineered and designed the streets of San Francisco including Market Street. O'Farrell Street is named to his achievements.

Test your Catholic knowledge: (St. Joseph)

- a. The largest church in the world dedicated to St. Joseph is (*Paris, Rome, Madrid, Montreal*)
- b. Which Gospel gives us the least information about St. Joseph? (*Matthew, Mark, Luke, John*)
- c. Which Pope named St. Joseph, Patron of the Universal Church? (*St. Pius IX, St. Pius X, St. Pius XI, St. Pius XII*)

National News

The House of Representatives on September 24th passed the Women's Health Protection Act by a vote of 218 - 211. The measure establishes the legal right to abortion on demand at any stage of pregnancy in all 50 States under Federal Law. Archbishop Cordileone stated this proposed legislation is nothing short of child sacrifices.

Reflection for the Week: Proverbs 10:21

Catechesis

Celiac Disease attacks the small intestine when one eats barley, wheat or rye. According to the Catholic Church, bread used on the Sacrament of Eucharist must contain wheat for it to become the body of Christ. (Low gluten hosts are valid.) There is no such thing as a gluten-free host. All hosts contain wheat to some degree. This as you can imagine is very difficult for people who suffer from Celiac Disease as they may not be able to receive communion at all. Count our blessings.

*Happiness is a choice,
it is worth choosing.*

Yours in Fraternity,
Fr. Cyril O'Sullivan

St. Isabella Catholic School Admissions

Come explore your Parish Catholic School and discover the difference a Catholic education can make for your child and your family. We provide a complete educational program built on strong core academics with faith formation and prayer woven into the students' daily school experience. Our kindergarten through eighth grade faculty includes specialists in science, Spanish, music, physical education, and technology. Our Extended Day program is nurturing, reasonably priced, and available on a drop-in basis.

Admission tours are held Monday and Friday mornings at 8:45 by appointment. Arrangements can be made if these times cannot fit your schedule. We're anxious to answer your questions about the application process for all grades.

You are encouraged to call the office, 415-479-3727 and set an appointment or contact Principal, Rob Pheatt. e-mail: rpheatt@stisabellaschool.org
