Solemnity of Saints Peter and Paul, Apostles

Matthew 16 : 13 - 19

“Who do you say I am” is a question Jesus asked his followers and expected a response to his question. There are only two choices, yes I believe or no I cannot believe.

Pope Leo XIV

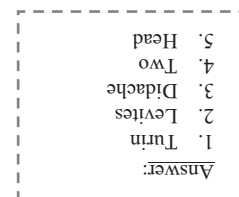

Beginnings start slow but in their consistency reaches their goal.

A Cathedral Cantor Speaks

Why do not American Catholics sing in church? Because we are not a singing culture as other cultures are. Americans don't readily sing in groups especially with strangers. Choirs serve two purposes, she said,

1. Beautiful hymns that requires training and practice
2. Active participation by congregation.

Good music takes you out of yourself. It touches a part of the brain like nothing else does. For a moment we are released from the world where mind finds rest and spiritual energy. Sacred music is not about performance, it is about glorifying God. (Courtney Wells.)

Parishes

Parish is the bedrock of the structure of the Church. Its sole purpose is faith, community and services. It is a jewel within society that largely goes unrecognized today. It is the one place on earth where the faith is supported and defended. The most dangerous place for faith is our universities and college campuses where the chapels on the ground are more symbolic than active. More people in these institutions lose faith than anywhere else.

St. Isabella Parish Religious Ed.

Wishing to have your children enrolled in the Parish School of Religion (PSR) or CCD. OCIA Program for adults interested in joining the faith. Classes will start up in September. To enroll or for more information, call the Rectory, 415-479-1560.
